

ClubGRANTS Reporting Requirements

A legislative requirement to be fulfilled by all organisations receiving ClubGRANTS assistance from registered clubs is that a club must request funding recipients to provide a report on how the funds were applied and whether the use of funds has varied from the purpose stated in the original application. If a report is not received from a funding recipient, the ClubGRANTS Guidelines require that the club should not consider any additional funding for that organisation, except in exceptional circumstances.

Funding recipients should use this form for amounts above \$500 (for amounts under \$500, recipients should simply return a receipt or letter of acknowledgement, as per the Guidelines). Where an individual ClubGRANTS expenditure is above \$5,000, the benefiting organisation must also complete a statutory declaration (attached).

This report form should be forwarded to the appropriate club (and Local Committee, if the funding was allocated through a Committee) at the completion of the program, project or service. Please note: additional details should be attached to the form where the space provided is insufficient.

In some instances, a program, project or service has not been completed before the funding recipient wishes to seek further funding for another activity. In these cases, recipients should provide a progress report on the current project. This should include a timeline for the project's completion and reasons for any delay in the expenditure of the funds.

Further information concerning the ClubGRANTS scheme is available from individual clubs, local committees, or the ClubsNSW website www.clubsnsw.com.au or contact ClubsNSW on (02) 9268 3000 or enquiries@clubsnsw.com.au.

Please return this form to the club supplying the funding.
